<b>Overall aims of Facilitation Skills</b>	<p>The primary objective of this programme is to enable you to understand group work, both theory and practice. This is done in two main ways:</p> <ul style="list-style-type: none"> <li>• practical skills - how to facilitate groups.</li> <li>• based on a bedrock of theory and proven best practice</li> </ul>
<b>What exactly are Facilitation Skills?</b>	<p>Facilitation is about learning.</p> <p>"... the facilitator's role is much more about opening things up for discussion in a stimulating way, getting ideas into the open and helping the group to listen to each other, further its knowledge and thus make informed decisions ..."</p> <p style="text-align: center;">Cameron, E. (2001), "Facilitation Made Easy", Kogan Page Business Books; 2nd edition</p>
<b>Who should attend?</b>	<p>Team leaders, managers, facilitators of groups either in house or external, facilitators/ chairpersons of meetings and all those wishing to enhance their skills in these areas and to perform effectively in these roles</p>
<b>What will I learn?</b>	<p><b>Tools &amp; Techniques of facilitation to include...</b></p> <ul style="list-style-type: none"> <li>• What is facilitation?</li> <li>• The principles, concepts, and practical skills of group work</li> <li>• Selecting the appropriate facilitation methods</li> <li>• To evaluate, recognise and put in to practice the theory of group work.</li> <li>• To organise, plan, execute and lead group sessions. Then inform members of the outcomes of the group session.</li> <li>• To facilitate and co-facilitate a group.</li> <li>• To understand the life cycle of groups, group dynamics, the role people play in groups,</li> <li>• To analyse the role that power, conflict and lack of participation has on a group.</li> <li>• Group facilitation &amp; problem solving</li> <li>• Learn the key processes in managing a group decision making process to get the best possible outcomes.</li> <li>• Recognise and manage individual / group conflict in a proactive manner.</li> <li>• To define the group parameters including your own boundaries &amp; parameters</li> </ul> <p><b>Plus, lots more...</b></p>
